Hi, I'm Lori. I play the guitar in a band. I started learning it about two years ago and the group got together last year. Anyway, a week ago we had our first concert and I want to tell you about it.

It was at the local town hall, not far from my school.. The concert was to make some money for three local charities that help nature and animals. There were two other groups as well as us. Another group wanted to play too, but their singer was ill, so they couldn't do it.

The town hall is big enough for about three hundred people, but unfortunately there were only about eighty people there (and thirty of them were our friends and families!). We played rock and the older kids' band played hip-hop, so there was a good mix of music.
