A month ago, my coach said that the area team wanted me to play for them next week. If I do well, the next step is to play at national level. So my first big match was very important!

I played against the under-16 national champion. At most of my matches there are maybe twenty people watching, including five from my family. At this match, there were two hundred people! I surprised myself by winning the first four games. After that, I didn't do so well. I hurt my foot. Because this tennis court was hard, I jumped to get the ball and hurt it when I came down. I was OK, but I wasn't as fast after that.
