25. She likes to watch music videos on YouTube. She thinks they are very _____. (ENTERTAIN)

IV. READING

Read the text then write A (Smart fork), B (Smart toothbrush) or C (Selfie toaster).

Unusual gadget

Some technology gadgets are very common and useful, but some technology gadgets are very strange and unusual.

A smart fork

This is a fork that can connect to your phone via Bluetooth. It can measure how fast you eat. It can also flash lights to remind you to slow down if you eat too quickly. Some people think this gadget is clever and helpful. But some think it is annoying and unnecessary.

A smart toothbrush

Do you want to prevent dental problems? Then you might need a smart toothbrush. It can connect to your phone via Bluetooth. It can track how long you brush and which areas you miss. It can also give you feedback and tips to improve your brushing technique. Some people think this gadget is useful and reliable. But some think it is boring.

A selfie toaster

This is a toaster that can toast your face on a slice of bread. You can upload your photo to the toaster via a USB cable, and it will burn your image on the bread. Some people think this gadget is fun and entertaining. But some think it is silly and wasteful.

26. This gadget can receive photos from your phone via a USB cable.

27. This gadget can track the time you spend on brushing your teeth.

28. This gadget has lights on it.

29. This gadget is to prevent dental problems.
30. This gadget burns your image on the bread.

Read the passage and fill in each blank with the correct answer.

Teenagers and Social Media

Social media has placed great pressure on teenagers today. There are so many popular social applications, (31) _____ Facebook, Twitter, Instagram, and Discord.

Many studies find that using social media during the night can damage teenagers' sleep and (32) _____ anxiety and depression. Many young people say they feel pressured to be online all day and they need to respond immediately to texts or posts. They are so emotionally involved (33) _____ social media that they will wake up at night and log in their accounts just to make sure they don't miss anything. Teenagers spend so (34) _____ time online that they do not have time to get together with their friends in real life, and this affects their social skills badly.

The worst thing about this is that adolescents need more sleep than adults do, so night-time social media use is bad for their health. A lack of sleep (35) _____ make teenagers tired and depressed.

31. A. so that B. such as C. so as D. like that
32. A. cause B. make C. create D. result
33. A. with B. on C. in D. at
34. A. many B. little C. few D. much
35. A. should B. can C. must D. will
