My Experience as a Sports Volunteer

Hi, my name is Linh and I am 16 years old. I love sports, especially outdoor sports and water sports. Last month, I had an amazing opportunity to volunteer at a four-day surfing competition in Da Nang. It was one of the best experiences of my life.

My role as a volunteer was to help with the registration and the scoring. I had to check the names and the numbers of the surfers, give them their bibs and wristbands, and record their scores on a computer. It was not an easy task, but I enjoyed it a lot. I learned how to use new software, how to communicate with people from different cultures, and how to work under pressure.

Volunteering at a sports event was a great way to practise my English, learn new skills, and have fun. I think everyone should try it at least once in their life. It is not only good for your personal development, but also for your community.
