Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions.

Technology plays a key role in improving Vietnamese business productivity as well as the national socio-economic development. Ministry of science and technology have started a number of programmes to aid businesses in key sectors including agriculture, healthcare, industrial production and telecommunications in adopting modern technology and developing artificial intelligence (AI).

The COVID-19 pandemic, which **triggered** severe social and economic disruption in 2021, has forced domestic businesses to double their digitalisation efforts and to utilise advanced technology to adapt to the new normal and extended periods of lockdown and mobility restrictions.

2021 saw the rapid development of the country's digital infrastructure and applications as a response to social distancing requirements.

Vietnam **ranked** 44/132 in the Global Innovation Index in 2021 with more than 18,500 scientific and technological discoveries, a 2.5 per cent increase compared to the previous year.

Vietnam has set a target to speed up the development of science and technology for the 2021-30 period with the establishment of modern research and development centres in both public and private sectors as a core mission objective.

21. According to the passage, technology plays a key role in _____.

A. setting up domestic firms
B. productivity incentive payment
C. developing the country during the COVID-19 pandemic
D. improvements in business productivity and the country's socio-economic progress

22. The word "**triggered**" in the passage is closest in meaning to _____.

A. launched B. activated C. caused D. suffered

23. During the COVID-19 pandemic, domestic firms made more efforts to _____.

- A. double productivity
B. use digital technologies to change their business
C. develop AI
D. lift mobility restrictions

24. The word “ranked” in the passage is closest in meaning to _____.

- A. classified
B. was placed
C. was counted
D. sorted

25. What is the purpose of the passage?

- A. To provide facts about technological development in Vietnam
B. To report Vietnam’s socio-economic development
C. To persuade readers to believe in AI and advanced technology
D. To describe the COVID-19 pandemic in Vietnam
