Many kids usually take a bus to go to school, but in India, some kids have a very special way to travel. They use a school boat! These kids live on boats with their families because they are surrounded by water, but their school is on land. Every morning, they get on the school boat to reach their school. It's an interesting and fun way to start the day! In the mountains of Colombia, going to school is even more exciting. Some kids use a zip line to travel across the mountains to their school. Even though it looks scary, the kids are not afraid at all!
